CURATED LIVING

PITCH HOUSE
BY CHAMBERLAIN ARCHITECTS

“With its impressive cathedral ceiling, Pitch House is timeless and will seamlessly integrate within any streetscape, making an eloquent statement.

This single storey home has generous volumes and while compact, functionality and design are not compromised.

CURATED LIVING

PITCH HOUSE
BY CHAMBERLAIN ARCHITECTS

“Ruum sets a benchmark for collaboration, we curate and work with top tier architects and builders known for their craftsmanship. The Ruum model is based on all three teams working closely together from the outset to form a stable platform, ensuring a holistic approach to the design, build and delivery of your architect designed home.”

Ruum

With over thirty years of combined experience in the housing industry, our insight into the market led us to rethink and reassess the traditional pathway to architect designed living. We believe everyone deserves access to good design and present an alternative for those who value premium architecture and progressive and flexible design. Ruum commissions signature collections from leading architects, then oversees all stages of this journey on your behalf. Working alongside Chamberlain Architects and Spence Construction in our first collection, we eliminate the unknowns of a new build with transparency and trust. www.ruum.com.au

Spence Construction

Spence Construction build homes to last and relationships built on trust. Prioritising excellence in craftsmanship and delivering exactly what they promise, Spence Construction has been in the industry for over 46 years and has become one of its most dependable players. Working with leading Australian architects, Spence Construction are known for their excellence in transparent reporting, seamless project management and award winning in-house joinery, resulting in the successful execution of residential projects that are carefully crafted and built to endure.
